Purchasing

Purchase options-

The system can be supplied with four different options.

There are 3 elements to the system-

- **Hardware**
- **Software**
- **Airtime**

- **Option 1**

***Purchase of the Hardware
Monthly invoice of the software licence
Own air time supplier***

- **Option 2**

***Lease purchase of the Hardware
Monthly invoice for the software licence
Own airtime supplier***

- **Option 3**

***Contract hire of equipment including Hardware, software and
airtime (up to a limit of 3mb per month)***

- **Option 4**

***Contract hire of equipment including Hardware, software and
airtime unlimited download availability.***

Discounts for volume orders and long contract times are available.

Option 3 & 4

We will supply a replacement unit (part only) throughout the life of the contract should it fail.
